Actually, it is a male vacation, but I need to work (I will be working from home, but they are). And let's not forget that the bad smell of sweet fever syrup. Final qualification 0/10: -1: Please. Aroma: How much that the aroma is so not too stinky or is a simply normal strange aroma as another aroma of essence and I like it. My best friend and her mother used the best before me, so asked how it was. They said it was pleasant and plan to get 10 bags of misma. I hope you stay happy, healthy and beautiful. ^.^ I love the sheet because it is transparent and adapts to my face, good. It provides the skin with deep hydration, nutrition and comprehensive care. * Lost for my freckles* One thing I do not like is even though I have expected, it still feels sticky on my face. The texture: the texture of the line of mismas such as the Hā Medo, transparent and thin but sticky tissue. Take a look at the list of activities that earn their points. You can win points and turn them into a purchasing discount. I have been ima ä € lolol cause of eemm ah so classic race: fch my laziness to take photos and write, but this one is in a good mood to make a publication.). I am becoming 'Banci Masker'. Wash your face. 4. To give freshness to the skin in the hot days, place the package with the spine in the refrigerator for 10 to 15 minutes before using the natural skin care of the natural skin of Granada by Rorec. To illuminate the face, use vitamin C, etc., etc. 4. Involve the misma and the face of palmaditas with the fingertips gently. It generates skin cells and helps reduce pigmentation and spots. Everyone knows that the treatment with MÅiscara has many benefits for our beautiful face, I love using mask since Mask has many benefits and, of course, makes my face improve after using mask. Apply the sheet MÅiscara in the face. *CMTIW and there are some images about the steps on how to use this minor. wedeww ... Apply a misimage for a better skin: d lol ä € how to use the misma leaf: ä. If you look look It is closely, you will see many additional parts that did not stay at all. If you will compare it with the misma of green (see my review here: revision of misma of green). I would say that it is better with that, even if I also disappointed me a lot. I also wanted to try other more. This product can be returned or exchanged within 14 days after receipt. Then I gave ä 2 mothers who I know in my neighborhood. Hello everyone! My work finally freed a little, so I have time to finally check something (and extensively do some skin care for my boring and tired skin). Leave for 15-20 minutes. To conclude, not all the misma of the baroness is a failure. Thank you very much for reading my publication. I wore a medication for sick orange -flavored fever! Even if I hate so much, I still tried to put it. I am using collagen, so this is the detail of the colonzation. The details are recorded and maintained at the day with new products and promotions! I love Korean mascaras, especially the leaf. The vitamin C, the snail, the collagen, the Granada, the green tile, the aloe of Aloe Vera, the green tile and the large amount come with the description. Before removing the misimage, be sure to massage your face first. You can use it depends on the condition of your skin, if you feel dry, use collagen or aloe. This misimage that coincides with the skin helps its skin to be elastic and you can see more young giving effect of hydration and formation of a movie on the skin that you feel silky and fresh. It is perfect for all skin types. : thoughtful: my neck (and the chin) still has itching while I write this, so I will probably wash my face and repeat my routine. My sister and my mother always take my missing ones, they never buy * *. So, the most I want to use today is Baroness. Description Baroness Mask Highly concentrated type of misma leaf that contains natural extract. Product details ä € brand: Baroness Netto: 21 g/ Måscara sheet made in: Korea Packaging: It is the main packaging haha nothing special like another misimage misim Packaging, designed with image of Granada and claims on this MÅiscara. On the back, there is an explanation about this world with the English language and the hangul? It is a complete money. Anyyeong! Nothing special, and the image is practical. According to the sad face/smell of the sad face while he is on. The first thing that was not the smell. The smell even intensified while I was on my face. Usa © 5 and I gave my best friend so that we could share the experience. : COLD SWEAT: Packaging The leaf misimage is packaged as essence and the essence of this minor is not enough. There is alcohol and fragrance. The most smell so sweet and gave me a great sensation when applied for the first time in my face. CONCLUSION: In general, I like this more more: D make my face healthy and fresh with a simple treatment. We see us in my next publication! Thanks ä € xoxo Reiny Baroness ~ Mascas of leaves and intense hydrogel and misimage offer intense food for a refreshing and stimulating sensation. How to use: 1. And it's me using ... Apply the spouse around your face and wait for 15-20 minutes. (Verify the details) The cost of delivery to the Ukraine Pais, from \$ 5.76 -Polse post - recorded letter (depending on the weight of the products), we send the products in the warehouse in 24 hours. Improve the firmness of the skin and keep elastic skin while maintaining moisture absorbed between the layers of the skin To avoid grouped and dry skin. Oh You need soda, use green. Cute. Product claims: The highly concentrated nutritious misma Keep the skin firm. Information trimmed from the back cover, the Måscara sheet * for others should be similar with it. * contains a lot of essence, since it is more more essence, very host once you open it. You just don't use it. Facial mask. This mÅscaras sheet did not make my skin dry compared to that of collagen. As you saw in my February tour, more than 50 masks that I buy in a month. I should really follow what many people suggested and buy the media (åjså!). My face got more sticky after 30 minutes of the removal of the misma. Consecutive thoughts This most important is probably the worst I have used. After cleaning, the dry face thoroughly. How will you have a break? ä € ä € -Because I still have a lot of mascars (mostly they are baroness, only of different misma), I decided to put one as soon as I finished cleaning. (Check the details) Registered users can join our loyalty program, ä points -based rewards system. GOD. After using it, my face feels moistened, flexible and there is still much of the essence in my face. Then, review on the Måscara de Granada. And also because I wanted to go to bed and do nothing (while I saw 2 weeks of episodes of Running Man). A month ago (or two), so each minor should cost PHP 25 (\$ 0.5) each. Barons had many good critics in Beautylnl, so I was curious. Amd decide to buy a lot to be able to try a variety of its products. Ingredientsäbd, list of bad ingredients. So you will definitely recommend you try this. It is cheap and the result is right, it is not bad for cheapo. 3. My skin is not sensitive to any skin care that has tried so far, but here is where that streak ends. It contains up to 86% of ingredients of natural origin. The most important in Sä I think It is made of cotton, but did not hinder wonders on the face. It also

seems that my skin cannot absorb the essence. essence. There is not enough serum inside the package, but it has a bit of excess and it is enough to your neck. For others, you can see the description printed on the Mésacara. In addition, it makes the skin a lot of elastic and soft for touch, so beautifully illuminated. Face putty. It contains grenade extract. Hydrates strongly, nourishes and worries. The misma makes the skin elastic and firm. ME. It should not have been so brave and used, knowing that the ingredients are bad. In my last blog post, if you can remember, I hated the baroness collagen leaf, but if I am going to compare it with this Mâjscara leaf of Baroness Granada, it is exactly the opposite. Many variants come with him, but I only have 6 to show you. The synemark was also thick and dripped with essence. Effects after 15 minutes, I took off. I was not good too. As usual, I apply Face Mask at night and my face seemed more relaxed when I watched it to the next majority. It is placed on a delicate fabric leaf, completely fills with a juicy extract of grenade and other beneficial substances. More brands are generally absorbed very well, so you do not have to wash your face after night routine. At least, there was no adverse reaction in my skin. I find Girls ... And where is the pearl extract/dust/all of the pearl? In February I unite Kak Titasyaoway and gannal two leaves of mascaras, those are: Mism of Baroness Arbutin and Mâjscara de Granada. It is not necessary to rinse, allowing greater absorption. Absorption.
